15th anniversary

GENERATION
SCHOOLS NETWORK
Elevating the Education Experience

Vision - All schools are vibrant, inclusive ecosystems that ensure every student thrives in school, work and life.

Mission - GSN co-creates healthy school ecosystems by partnering with educators, students, families and communities to elevate the education experience.

Good News!

The GSN team gathers for our annual picture this year via Zoom!

New Social Emotional Learning Units Available in Our Online Store!

- *HS Healthy Relationships*: During this unit, students will explore five key practices of healthy relationships: self-compassion, empathy, trust, effective communication, and consent.
- *HS Effective Communication for Healthy Relationships*: During this unit, students will be asked to explore effective communication, which is the ability to calmly and clearly communicate a message.
- ***RE-RELEASED*** *HS Growth Mindset*: By engaging in this unit, students will increase their understanding of the significance of a growth mindset, explore the malleability of the brain, brainstorm ways to nurture a growth mindset, and practice responding to both feedback and failure.
- *MS Mindfulness*: Mindfulness, for the purpose of this unit, will be defined as a nonjudgmental, non-elaborative awareness of the present moment; an awareness that allows for acknowledgment and acceptance of feelings, thoughts, and sensations as they arise. **Available with student-facing materials available in Spanish!**
- *HS Coping with Crisis*: During this unit, students will explore potential short- and long-term effects of a crisis, discuss recovery strategies, consider common reactions to internal and external crises, and brainstorm recovery activities that can be implemented after a troubling event. **Available with student-facing materials available in Spanish!**
- To download these units for FREE for the remainder of 2020, please click [here](#) for the codes to use at checkout in our [online store](#).

GSN Awarded Grants from The Daniels Fund, The Denver Foundation and The Anschutz Foundation

Special thanks to the Daniels Fund, the Denver Foundation, and the Anschutz Foundation for continuing to support GSN's work around College/Career readiness (CCR) and Social Emotional Learning (SEL). These recently awarded grants will support further development of CCR pathways in rural districts, statewide online schools, and urban charter schools to prepare students for workforce success. The grant from the Denver Foundation is to finalize GSN's Coping with Crisis and Exploring Culture, Identity, and Social Justice Curriculum Units for

elementary, middle and high school by translating them into Spanish. The grant will also continue to provide teacher professional development for five metro schools. To learn more about GSN's partnerships and programs, contact Ali Lauge, GSN Sr. Director of Partnerships at alauge@generationschools.org

GSN is Hiring a Senior Manager for College/Career Readiness (CCR)

Do you get up in the morning thinking about all of the possibilities for helping K-12 students make a successful transition to postsecondary success? Generation Schools Network is looking for someone to join our team who is passionate about helping every student reach their potential through facilitating large scale and collective impact pathway building for rural, charter and on-line schools.

Requirements include:

- strong facilitation and orchestration skills
- project management

Preferred requirements include:

- Bi-lingual (Spanish) fluency
- Master's degree with background in education, higher education, workforce development and/or partnership.
