

# PARTNER WITH A PRINCIPAL PROGRAM

*Calling all principals interested in deepening their professional skills  
and growing connections with the business community*

APPLY NOW @ [TINYURL.COM/PWP-APPLICATION](https://tinyurl.com/pwp-application)

## PROGRAM DETAILS

As a follow-up initiative to Generation Schools Network's CDE approved principal induction program, GSN is seeking principals interested in gaining opportunities for thought partnership from a highly experienced principal with success running high performing schools or a business leader in the local community to sharpen your collective leadership skills. Join us as we build a cohort of principals across the state of Colorado to share lessons learned and interact with representatives of the business community, deepening your school's local relationships. Thanks to the generous support from GSN's business and foundation partners, scholarships are available on a first come, first serve basis. You can access the application here >>> <https://tinyurl.com/pwp-application>

## PROGRAM ELEMENTS / REQUIREMENTS

- Launch event to meet your thought partner
- Access up to 20 hours of thought partnership with a highly experienced principal or a member of the business community
- Indigo analysis for principal and team with coaching session to identify and evaluate team strengths
- Participate in PLCs and access online professional learning community, expanding your collegial network
- Receive business volunteers for a school event to provide extra hands on-deck at an important moment in the life of the school community
- Access new grant opportunities to provide support to move your school forward
